About Super Text

Super Text, Canada's only annual conference for visual communicators, is a must-attend for informed, forward-thinking creative communications, design professionals and typophiles. At this inspiring two-day event that takes place in Vancouver, we offer in-depth analyses of trends and best practices in typography, design thinking, design management, communications technologies and user experience with a range of opportunities to exchange ideas with colleagues, new and old. Attendees leave with a reconsidered and refined design or creative process, feeling inspired, refreshed and connected to the creative communications community.
